REGGIE MCKENZIE FOUNDATION

A 501c3 Organization

Since 1974, the **Reggie McKenzie Foundation** has improved the quality of life for more than 30,000 young people throughout metro Detroit. We believe in developing the whole child by providing academic, athletic, employment, life skills, technology and community outreach programs all free of charge. Our success is due in large part to partnerships, businesses, volunteers and charitable donations given by those who want to invest in the lives of young people.
